

OLD TOWN SCOTTSDALE

Historic Downtown District

Welcome to Old Town Scottsdale where you can experience a taste of the Old West as well as many unique art, shopping and dining venues – all within walking distance of each other.

Old Town Scottsdale is located on the original Scottsdale townsite. The city began as a small farming community when in 1894 a Rhode Island banker, Albert Utley, subdivided 40 acres of desert land into town lots. The town was named “Scottsdale” to honor U.S. Army Chaplain Winfield Scott whose untiring efforts brought many of the early settlers to the area. There are many historical places located in Old Town Scottsdale including Cavalliere’s Blacksmith Shop and the first schoolhouse, now the site of the Scottsdale Historical Museum.

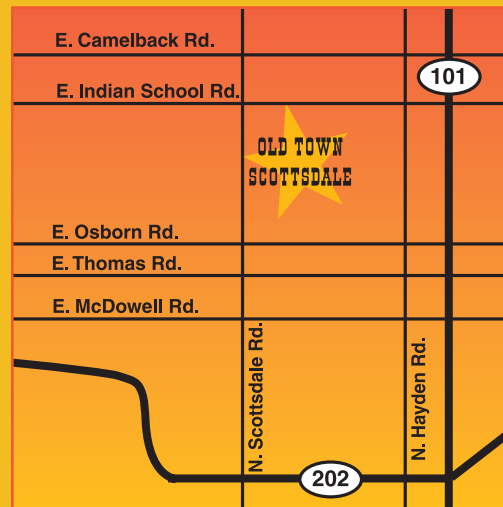

SHOPPING ♦ DINING ♦ GALLERIES

In addition to the myriad opportunities offered by its eclectic collection of unique shops and galleries, Old Town Scottsdale offers cuisine to satisfy just about any taste. This brochure contains a listing of the businesses and other attractions located in this historic part of Downtown Scottsdale.
